## Game Day Procedures

Effective 02September2016

### **Team/Player Check-in:**

1. Both teams are required to provide a Got Soccer Game Form to the Referee prior to the start of the match.
2. If only one team brings a game form, that form can be used to check-in both teams.
3. ONLY players listed on the submitted game forms are eligible to play.
4. If a coach is not able to provide a physical game form, electronic versions are acceptable.
5. Player passes are required for each player in the U11 and older age groups. The referees will use the player passes to check-in the players.
6. If a coach is not able to provide the physical player pass, electronic versions are acceptable.
7. The home team is responsible for providing the game ball.
8. The home team is responsible for differentiating jersey colors.

### **End of Game:**

1. The Referee will record the final score and any cards on both copies of the game form.
2. Both coaches will sign both copies of the game form.
3. Both coaches will retain their own, updated copy of the Official GCSA Roster/Game Form.
4. The winning coach, or the home coach in the event of a tie, shall call in the final game score to Got Soccer within 48 hours after the completion of the match. Instructions for calling in the scores are located at the top of each Got Soccer Game Form.
5. If the winning coach fails to call in the score within the 48 hour window, the losing coach can then call in the score to Got Soccer.
6. In case of any reporting discrepancies, coaches shall retain the official Game Roster/Form/Card until four weeks post the end of the season.
7. In case of game termination/determination or ejection, coaches still keep forms and Referee will fill out a Misconduct Report and submit to GCSA G&D. The Referee is never to take the game form.

### **Reschedules**

1. All reschedule requests must follow the "Game Reschedule Procedures" of the home team's club.
